Baldwin 4-8-0 no. 76 has been purchased by the railway operator in the Cali area for operating a tourist train, likely to Buga. The loco will make arrive during February and we expect that we will use it for at least one of our programmed trains. On Tue 26<sup>th</sup> September, we take an evening flight to Barranquilla rather than Cartagena due to flight schedule changes. We stay for 2N in Barranquilla. This flight is in a small airplane and late tour bookers may have to be flight booked via Bogota, taking longer with 2 flights. On Wed 27<sup>th</sup> September, we undertake our Santa Marta programme based on start/finish in Barranquilla. We will have an alternative programme for any wives etc. not wishing to travel to/from Santa Marta. On Thursday 28<sup>th</sup> September, we visit Cartagena, starting from Barranquilla and finish at Cartagena. On Friday 29<sup>th</sup>, we depart from Cartagena or stay over for a day or two. **An early bird discount is available for bookings during February. Contact Adrian Palmer.**
